NEREA HEBLES MOLINA

UX/UI WEB DESIGN · E-COMMERCE · CRO

664 52 35 84 | molinahebles@gmail.com | porfolio-nereaheblesmolina.vercel.app

PROFESSIONAL PROFILE

Digital professional experienced in UX/UI web design, e-commerce and conversion rate optimisation (CRO). I combine the creation and improvement of corporate websites and online stores with on-page SEO, digital analytics and marketing activities focused on lead generation and user experience. Experienced in managing 10+ web projects and coordinating delivery from start to finish.

PROFESSIONAL EXPERIENCE

UX/UI WEB DESIGNER

Mood Marketing | October 2025 – Present

- Design, build and optimise corporate websites and lead-generation landing pages in line with project goals.
- Create user-centred interfaces and responsive layouts using WordPress and Elementor.
- Manage web projects end to end, from information structure and design through to launch and final review.
- Improve content architecture, navigation, mobile experience and on-page SEO.
- Maintain and improve existing websites, including content and product updates, visual refinements and performance optimisation.
- Implement conversion-focused improvements and connect measurement tools where required by the project.

E-COMMERCE & CRO SPECIALIST

Masaltos.com | May 2024 – October 2025

- Managed and optimised the online store, including product catalogue, categories, product pages and commercial landing pages.
- Analysed user behaviour and the purchase funnel using Google Analytics 4 and Google Tag Manager.
- Configured and monitored events and conversions to support e-commerce performance analysis.
- Identified opportunities to improve the shopping experience, navigation and product pages using UX/UI and CRO principles.
- Planned and optimised Google Ads and Meta Ads campaigns in line with commercial objectives.
- Delivered email marketing and automation activities, including audience segmentation and communication flows focused on retention and sales.
- Optimised website pages and content for SEO and proposed ongoing improvements based on data.

DIGITAL MARKETING ASSISTANT · INTERNSHIP

Berner Agency | December 2023 – March 2024

- Supported digital marketing activities and created content and visual assets for online channels.
- Assisted with social media, digital communications and campaign-related tasks.

MARKETING & COMMUNICATIONS ASSISTANT · INTERNSHIP

Evirom | August 2023 – October 2023

- Supported the team with marketing and communications tasks, content preparation and the delivery of communication activities.
